

# BOOKS POP UP @ PMQ

希望這次只是暫別，就像輕輕跳躍、離地。我們深信出版業的工作者需要親身與讀者接觸、對話和互動。只要開始對話，故事便由書本走出來了。

This is a temporary farewell to the Arts Centre. We thank all of our friends and readers during these times of change.

The Bookshop will 'pop up' at PMQ for about three months, starting 21 June 2014. Our current shop at the Arts Centre will be managed by HKAC during the renovation of the atrium. Please drop by the PMQ this summer and experience a series of events we have prepared for you.

The Bookshop 將暫別藝術中心，並由六月二十一日起移師元創方 (PMQ) 三個月。現時的書店，將改由藝術中心直接營運，直至中庭翻新工程完竣為止。The Bookshop 在 PMQ 為你們準備了連串活動，誠邀各朋友和讀者在這個盛夏參與其中。

# LOOKING FOR A HOME

Thanks for your participation in “Looking for a Home” at Detour 2014.

Over 1,000 books were displayed here and most of them have been taken. Although the event is over, we hope every book would find itself a home.

**If you like a book, take it home. While we hope you'll enjoy the reading experience, please donate as you wish.**

Please send or bring your cheque to 10B, Sing Kui Commercial Building, 27 Des Voeux Road West, Sheung Wan. Your donation will support more projects by STORY in the future.

A non-profit group, STORY preserves Hong Kong's & Asia's unsung creative stories through words, images and sounds. We foster an appreciation of creativity in many ways—book exhibitions, author talks, literary exhibitions, documentation, and exchanges.

This book installation was here with the assistance of artist Gukzik Lau, author Haji, and designer Michael Lee.
